Lateral Flow Tests for parents and carers

The Government is now making regular lateral flow tests available for parents and carers – please follow this link for details on how to get them: <https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff#how-to-get-a-rapid-lateral-flow-test>

BBC headroom – I think we all need a bit of extra headroom in these challenging times – follow this link for all sorts of mental health support: <https://www.bbc.co.uk/programmes/articles/YfRzhXDKSZQxFVn30TIXBj/your-mental-health-toolkit>

Yours sincerely
