Full Return to School – from Monday 8th March

As announced by the Prime Minister earlier this week, all children will be returning to school from Monday 8th March. I’m sure I speak on behalf of everyone in saying that I hope it’s the last of the lockdowns! The systems we had in place during the Advent Term were effective and will therefore remain in place when we return. Next week, further information will be sent to remind you of our routines and procedures. In the meantime, we are looking forward to welcoming you all back in just over a week’s time.

Mixing outside of School

Although schools are reopening and the Prime Minister has provided us with hope through his roadmap out of lockdown, we must not lose sight of the fact that this virus is still present and continues to be a threat. In order to keep everyone safe, it is essential that your children do not mix with others, whether on the park outside of school, visiting friends and relatives in their homes or having sleepovers. Please do continue to follow the Government’s guidance. Full details of the current Coronavirus rules can be found [here](#).

Baby on the Way!

I am delighted to inform you that Mrs Jefferies is pregnant, and is expecting her first child this Summer. I am sure you will join your well-wishes with ours. We pray that all continues to be well during Mrs Jefferies’ pregnancy.

Family Club – The Lime Trees

As mentioned in the Newsletter before Half Term, today you will receive further information to formally introduce you to The Lime Trees, our new Breakfast and After School provider. This information will be shared on Class Dojo.

The Lime Trees are waiting for their OfSTED registration to be completed; when this has been finalised, we’ll be able to communicate an opening date. We are hopeful that this will be in the next few weeks. As well as delivering Breakfast and After School provision, The Lime Trees will provide School Holiday Clubs on the school site too. Their service will be provided for all the children at the school.

If you have any coronavirus symptoms:

- a high temperature
- a new, continuous cough
- a loss of, or change to, your sense of smell or taste

[Get a test](#) and stay at home
