Dear Parents/Carers

Two year old nursery provision at Wigton Infant School

We are writing to let you know that from the 1st September 2021 we will not be offering provision for two year old children in our nursery. This is initially a temporary change which may become permanent in future years.

The Governors have carefully reviewed the provision since incorporating the nursery in September last year and have made this decision in order to improve the quality and capacity of the provision for 3 year olds in school.

Details of the changes that will take place have not been finalised as yet, but we wished to inform you of this change at the earliest opportunity.

Yours sincerely

Geoff Norman
