Our Learning this week

WELL DONE! This newsletter marks the last official day of learning from home. I have been so amazed by how hard the children have worked (both at home and school), their dedication and perseverance, even on days they have found it tricky. I cannot wait to have them all back in the classroom, learning together and enjoying being with their friends. Thank you so much to parents for their support over the past few months, it has been a huge team effort. In maths, we have been learning about money, adding and subtracting different amount and calculating change, too. In English we have written stories with alternative endings, using our core text The Imagination Box as inspiration. The children have also enjoyed PE activities, been designing their trains in learning mission, conducting science investigations and had a live music lesson with Mrs Watkinson. A busy week as always!

I hope everyone has a lovely, relaxing weekend ready for the return to school on Monday. We want children to feel safe and happy returning, their well-being is our first priority.

Homework

Please ensure you are reading at least 4 times a week at home.

Reminders

- Please bring PE kit to school at the start of each week, our lesson will be on a Tuesday afternoon.
- Please bring your materials for making your trains in to school on Monday. These will remain in a bag on your pegs, to quarantine and be used later in the week. If you have any spares, please bring these too just in case we need an emergency supply. Thank you!
- Please have wellies in school for Forest Schools. It is very muddy up there still!
- Your child needs to bring a water bottle to school as they are unable to use the water fountain.
- Please do not allow children to bring toys etc. into school.
