

Chestnut Class Newsletter – 5th March 2020

Star of the Week

Dylan, you have been working extremely hard and have been determined to make your writing the best it can possibly be, through your careful vocabulary choices. You have been a lovely friend and always show respect to adults and your peers. Well done 😊

Gethin, you consistently demonstrate a fantastic learning attitude and try your best at everything you do. You should be very proud of your independence, hard work and the beautiful manners that you have continued to show during remote learning, well done! 😊

Our Learning this week

What a fantastic final week of home learning! You have all made me feel incredibly proud to be your teacher, but I am very excited for us all to be back in the classroom next week. We will have lots of fun learning together again.

In maths, we have been rounding numbers, to one decimal place, to the nearest whole number. The children have successfully completed a range of fluency and reasoning challenges, and ended the week with a real-life problem, where they were required to apply knowledge about ordering, comparing and rounding decimals.

In English, we have been creating our biographies about Louis Pasteur. The children have confidently used a range of scientific vocabulary and skills in their writing, in order for it to fit its purpose.

In Learning Mission, I have been blown away by the luxury desserts that everyone has created, after we spent last week researching and designing desserts to meet our design brief.

Well-being Wednesday was a huge success again and it was lovely to see so many children baking, walking and enjoying some time away from the screen!

Homework

It is still very important for children to be **reading every day**. If you need to pick up a new book, please let me know and this can be arranged.

PE and Forest Schools

Please bring in PE kits, trainers and wellies in on a Monday and take them home on Friday, so the cloakroom can be thoroughly cleaned.

Designated Safeguarding Lead – Miss R Globe – Head of School
Deputy Safeguarding Lead – Mr B Clayton – Assistant Head teacher
