### March

Monday 8th - Governors 4pm

Thursday 18th - Parent  
Information Evening

Monday 22nd - RE Week

Friday 26th - Easter Service

Friday 26th - Break up 2pm

## Our Learning this week

**English** - This week we have continued exploring our class text *Rosie Revere, Engineer*. We have been busy working on our instructions for the author and are so excited to send them to her to see what she thinks. We've been practicing lots of different skills including commas in a list, sentence types and imperative verbs!

**Maths**- In maths we have kept working on our understanding of position and direction, looking at movements and repeating patterns and sequences. We challenged ourselves to some tricky reasoning and problem solving questions but are now so confident in this area!

**Learning Mission**- We LOVE our new learning mission *incredible inventions*. This week we have been planning and designing our very work robot. We thought about the design criteria and planned to include mechanisms such as wheels & axels and levers & pulleys. We're so excited to bring our designs to life next week.

## Google Classroom

I want to take this opportunity to say how incredibly proud I am of all we have achieved since Christmas. It has been a huge challenge, but it has shown what resilient, determined and amazing little people we have. I also want to thank you for the support and patience you've shown throughout this difficult time. We have kept our little ones happy, safe and learning and we should be so proud of that. Thank you and we can't wait to welcome back our Knayton family.

## Reminders

- As cloakroom space is limited, please only bring a small bag if necessary (i.e. on Fridays to return/take home new reading books).
- Please continue to keep reading diaries at home, but use them in the same way to record your child's reading for that week. I will upload an assignment to Google Classroom each week so I can monitor how much children are reading and enter them into the reading raffle (for children reading at least 4 times per week).

Designated Safeguarding Lead – Miss R Globe – Head of School  
Deputy Safeguarding Lead – Mr B Clayton – Assistant Headteacher
