March

Monday 8th - Governors 4pm

Thursday 18th - Parent
Information Evening

Monday 22nd - RE Week

Friday 26th - Easter Service

Friday 26th - Break up 2pm

Our Learning this week

English - This week we have continued exploring our class text *Sam's Sandwich*. We have been busy working on our instructions on 'How to make a delicious or disgusting sandwich!' We've been practicing lots of different skills including time conjunctions and editing and improving our work! To finish the week we have been busy showing off our amazing handwriting skills by publishing our writing!

Maths- In maths we have kept working on our understanding of money. We can confidently assemble coins to make different amounts and we challenged ourselves with some tricky reasoning and problem solving questions!

Learning Mission- We LOVE our new learning mission *incredible inventions*. This week we have been planning and designing our moving vehicle. We're so excited to bring our designs to life next week.

Google Classroom

I want to take this opportunity to say how incredibly proud I am of all we have achieved since Christmas. It has been a huge challenge, but it has shown what resilient, determined and amazing little people we have. I also want to thank you for the support and patience you've shown throughout this difficult time. We have kept our little ones happy, safe and learning and we should be so proud of that. Thank you and we can't wait to welcome back our Knayton family.

Reminders

- As we are returning to school next week please can you start collecting recycled objects e.g. bottles, cartoons, lids etc so you can use them to make your design when we return. If you gather the objects into a bag then we can quarantine them at school before making our designs.

Designated Safeguarding Lead – Miss R Globe – Head of School
Deputy Safeguarding Lead – Mr B Clayton – Assistant Headteacher
