“And be ye kind one to another, tender hearted, forgiving one another, even as God for Christ's sake hath forgiven you”. -Ephesians 4:32

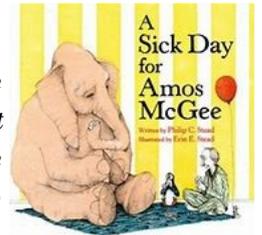

Collective Worship

The first of this weeks Collective Worship's was lead by Mrs. Atkar and was focussed around the subject of 'Compassion'. Mrs. Atkar explained what compassion is and how it is mentioned, and at the centre of all world faiths. She helped us to understand that no matter what faith you belong to / or even if you have no faith at all, compassion is an important quality to have, and show to one another as human beings. Mr. Hill lead us in worship this morning, continuing the theme of 'Compassion'. He read us the story 'A Sick Day for Amos McGee'- a story with deep meanings about compassion. Mr. Hill then asked the children to think about times when they may have shown compassion to someone, and also the kind of ways you can show compassion to one another. Supporting Parents Helpfinder (Young Minds)

Times are tough for many people right now. Parents find themselves pulled in many different directions and children may be struggling being in the house for so much longer than usual. A mixture of concern about COVID-19, work from home and children at home, along with possible financial impact make for a stressful household.

Young Minds have created a useful 'Supporting Parents Helpfinder'. By answering six questions, parents can find out how to support their child's mental health during the pandemic (and beyond).
