Dear Parents and Carers,

I am writing this summary of previously circulated information in preparation for welcoming all pupils back to school from Monday.

Remote learning will finish officially today – again, I'd like to say a huge THANK YOU for your engagement with the daily tasks set. Tapestry and Seesaw accounts will still be active and used as an integral part of our teaching and learning for Homework Menu tasks, spellings and year group specific communications, so please set up 'alerts' so that you don't miss anything.

From next week, the newsletters will revert to only being sent home via the school website (rather than on Seesaw and Tapestry as we have been doing throughout the lock down). Please make sure that you are signed up to receive these email communications – this can be done by visiting the Newsletters page on the website and entering your name and email address.

We have the measures in place on the school site, including some new signage and floor markings to remind parents/children about social distancing. Due to the nature of the school site, we have not implemented a one-way system as such, but we do ask that only one adult (wearing a face covering) accompanies your child/ren onto the site and then leaves the site promptly. Please see previous communication for more details.

Staggered start/finish times

Year group	Start time	Finish time	Entrance/Exit

Year 5	8.25am	3.00pm	Y3 & Y5 Entrance
Year 6	8.30am	3.05pm	Y4 & Y6 Entrance

Please drop children off at the time of your earliest child.

Please remember; if any member of your household displays any Covid symptoms, all members of the family should isolate until a test is sought and a negative result received. Please keep school informed about any tests and the subsequent results.

Have a great weekend and an early night on Sunday! We are really looking forward to seeing you all on Monday morning.

Take care, stay safe.

Kind regards,
