Letter clarifying the dropping off and collecting times.

Please check the letter send out this afternoon on PING.

A few notices ahead of re-opening on Monday

Please do not use our staff car park to drop off or pick up your child from school. This is for safety reasons, as parents and children are leaving school via the driveway.

Please remember that the weather is still chilly and we must have windows open in the classrooms and dinner hall to allow air flow. Make sure that your child is dressed in warm layers or send them in with a fleece that can be worn in the classroom.

If you have any symptoms of Covid and request a test, **please do not** send your child into school until you have had a negative result. Your child could be asymptomatic and therefore not present with any symptoms but could pass on the virus to another child in their class who could then take it home resulting in their parent becoming ill and potentially ending up in hospital.

Please follow the guidelines.

Spring 2 Week 2 – 5th March 2021
