

12th March 2021

Dear Parents

So here we are, at the end of our first week back to school and I can't tell you how fantastic it has been to have all our children back with us! Everyone has settled really well and the buzz about the place is wonderful. However, we will continue to keep a very close eye on all the children to ensure they are as happy as possible and would ask you to get in touch if there is anything we need to be aware of.

As you can imagine the amount of traffic in and around the school, in terms of people and cars, has grown significantly this week. Could I please ask that you are considerate when parking and driving near the school as accidents happen so quickly. Also, when you are coming into school, please could I ask that you push or carry bikes or scooters – again, it just reduces the risk of accidents.

At the moment, we still aren't allowed to mix year groups or have visitors in school and, until we are told otherwise, school trips are not permitted. To keep you up to date with events etc, please see below our plans for Terms 4, 5 and 6. Once we have a clearer picture of what we are allowed to do after 21st June, we will let you know about events for the final few weeks of Term 6.

In the coming weeks we will be writing separately to parents with children in Year 6 about our plans to mark their move away from us to secondary school. However, our focus now is to ensure all children are settled back into school and to get the curriculum going.

As always, if you have any questions or concerns, please just get in touch.

Yours sincerely
