Please make sure that you are at the correct gates on time. Gates will be locked once the bell has gone.

## Welcome back!!!

It has been so lovely to see all the children back in school, with their friends and teachers, and beginning their face to face learning again. Over the next few weeks, we will be concentrating on settling the children back into the normal routine and consolidating the learning that they have done at home since Christmas. The mental health and well-being of our children is of a high priority and lots of work is being done in school to support the children as they continue to work through the current, challenging circumstances. If you have any concerns regarding your child's mental health and general well-being then please speak to your child's teacher.

## Respect for staff on Duty

In order to ensure the children are safe when they come into school a variety of measures have been put in place. This requires staff to do more duties such as manning gates. We do have certain members of staff who do this to ensure that we don't mix bubbles however on some occasions due to staff being off or other unforeseen circumstances, we will have to change the way we do things at the last minute. This morning was one of those occasions and I am sorry to say that some parents took their frustrations out on the staff who were standing out in the rain. Staff are doing their absolute best under challenging circumstances and need to be shown respect. Verbal abuse will not be tolerated. Thank you for your understanding and support in this matter.

## News and Notices

Friday 12th March 2021

★ Welcome back! ★

### Arriving at school on time

Please can I reiterate how important it is to arrive at the school gates ready for the time your child starts school. The staff that are manning the gates have other duties with the children and cannot stand outside waiting for children who are late (Particularly in the bad weather). Thank you for your support and understanding

**SHOW YOUR CARE**  
DON'T PARK ON THE ZIG ZAGS  
YOU COULD ENDANGER A CHILD'S LIFE

### Cars on Finsbury Street

From Monday 15th March, cars will NOT be allowed to come up Finsbury street to drop children off and pick children up. This is a dead-end street with cars parked on one side and school zig-zags on the other side. This week there have been a number of incidents of cars performing 3 point turns on this very narrow street and mounting the pavement where children and their families are queueing up to get in to school. We have been in touch with the local traffic team who will be patrolling the area at these times.

### Continuing to Stay Safe

Please ensure that you are wearing a mask when picking up/ dropping off and that the mask is worn properly over the nose and mouth. **Masks must be worn until you leave the school premises.** Thank you for your co-operation.

### Water Bottles

Please can you ensure that your child has their own water bottle that can stay in school and be washed and refilled daily. Thank you

### Homework

Now that we are back at school, children will only receive their weekly homework—**Bug club, Mymaths and Spelling shed.** Please ensure that this is completed on time.
