QUEST

POLITE REMINDERS

- Please can we remind children to have their PE kits in school at all times.
- Water bottles should be filled with plain water only. Why not add some chopped up fruit to it to add some flavour? No juice please.
- Parents/carers are requested to wear a face covering when entering the school grounds, unless exempt.
- Only one adult should enter the playground when dropping off or collecting children. This is to reduce adult contact as much as possible.

To launch Science Week, we have adopted an otter from Chester Zoo. KS1 children have been learning all about how otters behave and the habitats they live in. We were all very excited to see our otter being fed on the Chester Zoo virtual zoo day yesterday. If you visit the zoo before March 2022 you will see the plaque next to the otter enclosure that says 'adopted by St Peter's Primary'. I hope the children enjoy the rest of science week and we learn lots more about our new otter friend.

We are very happy to have all our children back in school this week. Please make us aware of any changes to your family circumstances so that we can support your child the best we can.

IMPORTANT COVID-19 INFORMATION

If any person in your family unit falls ill with Covid-19 symptoms, receives a positive test, or your child is required to self-isolate, please alert school as soon as possible via our new designated email address:

SPHNotifications@questrust.org.uk. This will then enable us to take the appropriate action and fulfil our contact-tracing obligations. Please continue to use Class Dojo for all other communication with your child's class teacher.
