Permissions for Social Media (Years 4-6) and for Transfer of Information to High School (Year 6)

Dear parents and carers of Years 4-6 pupils

We currently only have permission to use Year 3 children's images in our social media (currently Facebook). We would like to be able to use images to celebrate the work, activity and achievements of children in Years 4 to 6 and so are seeking your permission for this.

We found during lockdown that our parents and carers really appreciated being able to follow the achievements and activities of our children and we are keen to promote this as much as possible on social media as well as on our website.

For our Year 6 pupils, there is a separate question at the end as we need your permission to share your child's information with their high school.

We would therefore be grateful if you could click on the link to grant or deny permission:

Please complete online form before Thursday 18 March 2021.

With kind regards

Mr Hunt
