### Government 'National Lockdown: Stay at Home' Guidance

While we are able to continue to hold communal celebrations of Mass  
during the present pandemic 'lockdown' restrictions, it is important that  
we continue to look after one another and remain vigilant, especially  
given the increased transmission rate of the new Coronavirus variant.

The use of face-coverings, hand sanitisation and social distancing  
(face – hands – space) remain the most effective ways to enable every-  
one to attend Mass safely. It is also important that we pay attention  
to the way we come to, and leave, the church building and premises.

**For this heightened period of the pandemic, and to maintain as  
healthy an environment as possible, all those attending Mass are  
encouraged not to gather outside but to leave as promptly as  
possible.** Similarly, clergy are being advised to refrain from  
greeting parishioners when they arrive or leave. In doing so at this  
very difficult time, we not only treat one another with care and respect  
but give good witness to others in our community.

### TREE TAGS

Those of you who visit our graveyard may discover that the  
trees on the parish property have been tagged. These trees  
have been surveyed by a highly qualified arborist as part of  
our health, safety, repair, and maintenance projects. The tags,  
which cause no harm, are used to identify and locate each of  
our nearly 100 trees. These tags need to remain on the trees to  
ensure that they will be looked after when needed.
