Thank you

Thank you for supporting your children so well on their return to school. It has been lovely to see them all back and the excitement and joy of meeting their friends again. I have been so pleased with the way they have settled back into school so quickly and their positive attitude to their work. It is also lovely to start sharing some photos of the work they are doing in school and below are some photographs of the Year 3 Roman Day.

To help us support your children further I will be sending out a short questionnaire about the children's first week back in school.

Red Nose Day

Comic Relief is happening this year on Friday 19th March. We will be holding a dress up day where children can dress up as whoever they like. We are asking for a donation to Comic Relief for doing this, which you can do via ParentPay. We are also asking children to bring a joke to school to share with their class.

Year 6 Transition

If your child is in Year 6 and they are going to Thirsk School & Sixth Form College you can book an After School Tour of the School. We have also stated planning the transition week that we are hoping to hold in July, if the relaxation of Lock-down goes as planned. This will involve the children spending a week at Thirsk School in preparation for their start in September.

Laptops

If you have been lent a school laptop over lockdown please would you return it to the School Office. Thank you

RSE Consultation

You should have received a letter regarding the Relationships and Sex Education Policy. If you haven't seen it please contact the School Office and they will send you one.

Friends of the Friarage Hospital - Logo Design Competition

We were approached by the above charity in January when they were looking to redesign their logo and they wanted to give their designer some inspiration from the next generation. We received this message from them this week:-

"We are delighted to tell you that we have chosen our winners for our design a logo competition and one is from Carlton Miniott Primary Academy! Congratulations go to Chloe in Class 6, one of our ten winners who will receive a £10 Book Token. We certainly want to say a big well done to her and thank her for her lovely thoughtful work."

Well done Chloe.

Violin Lessons

We have a spare place available if any Year 3 pupil would like to have group violin lessons with Mrs Jameson. Please contact the School Office if you would like any further information or if you would like to book your child onto these lessons.

FOS - Bag2School

Friends of School have organised another Bag2School collection on the weekend of 19th - 21st March. The collection point will be a trailer under a red gazebo at the school field entrance gate from about 5pm on the Friday; please ensure your donations are delivered directly to the collection point between that time and 8am on the Monday morning.

For a reminder of what can and can't be donated please visit <https://bag2school.com/what-we-collect>

Thanks for helping us raise funds to support our children's learning in these difficult times.
