

NEWSLETTER – 19.03.21

This week . . .

It has been really lovely having everyone back at school! Whilst we are still staying in 'bubbles' and missing assemblies and playing out altogether, it has been really nice getting a little bit more back to 'normal'.

Children are pleased to be able to see their friends in class and spend some time playing with them both inside and out. Everyone is working incredibly hard to catch up on everything that's been missed, and everyone is also trying hard to keep themselves and others as safe as possible now we are all back.

Thanks for all your continued support from home in trying to keep school as safe as possible. 😊

**School closes for the Easter holiday
NEXT Friday (26.03.21) and re-opens
on Monday 12.04.21.**

This week's saying . . .

It was touch and go.

Can your child tell you what it means? Can they use it in a sentence correctly?

Places in nursery

We have some places left in nursery for next term. Your child must be three by 31.03.21. If they are, they would be welcome to join either morning or afternoon nursery after Easter. **You can collect a form from the office, or download it from the school website (Friday letter link).**

If your child has turned three by 31.08.21, they will be able to join nursery in September for either the morning or the afternoon sessions.

Please either collect a form from the school office, or download one from the school website, and return it to the school office as soon as possible.

If you know of any other families with children who might be interested in a place, please let them know. Thank you.

Attendance

Last week's attendance stars are classes 6 (98%) and 13 (99.6%) – well done to both! Last week's attendance was 93.9%, with overall attendance for the year so far 93%.

Punctuality

There were no children late last week in classes 3 or 17.
