★ Welcome back! ★

Picking up children from school on time

This week we have had a large number of children who have not been collected on time at the end of the day and have had to go into Homework club. We cannot accommodate this due to staff ratios and will need to charge parents for this if it becomes a regular occurrence as we will have to employ more staff. It can also be distressing for children who are not collected. Please can you ensure that you have arrangements in place to collect your child at the right time. Thank you for your understanding and cooperation.

Cars on Finsbury Street

From Monday 15th March, cars will NOT be allowed to come up Finsbury street to drop children off and pick children up. This is a dead-end street with cars parked on one side and school zig-zags on the other side. This week there have been a number of incidents of cars performing 3 point turns on this very narrow street and mounting the pavement where children and their families are queueing up to get in to school. We have been in touch with the local traffic team who will be patrolling the area at these times.

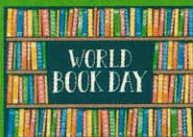

Continuing to Stay Safe

Please ensure that you are wearing a mask when picking up/ dropping off and that the mask is worn properly over the nose and mouth. **Masks must be worn until you leave the school premises.** Thank you for your co-operation.

Brimrod's World Book Day

We will be holding our World Book Day next Friday (26th March) as we are now all back together in school. Children are to dress up as a character from a book to celebrate this and to mark the end of our Author / Arts week.

Red Nose Day

Thank you for participating in Red Nose Day today. Through the sale of red noses and the donations received today we have raised £244 for this worthy cause. Thank you
