

It's been wonderful having the whole school community back together! We know some children have found it hard to adjust back to the routine and are tired, but they are doing brilliantly – with your help! We hope that this weekend will be a good chance to renew your energies and reconnect with the 'home' activities that they may be missing.

Just a little reminder that, even with all the colds going round, please don't give Calpol before school as it can mask a high temperature which is a key symptom of Covid 19. This is just one of the actions we are taking to help everyone keep and feel safe.

Families of primary aged children can now access lateral flow tests (children themselves are not expected to be tested), as per the attached letter. I would encourage you to take part in this symptom free testing to add to the effort to prevent the spread of Covid 19.

Don't forget on Monday we are relaunching 'Bug Club' and Miss Cargill is running a parent information session at 1pm. Children may come to school dressed as bugs if they wish.

- INSETs next year school closed**
- Thurs 2 and Fri 3 September 2021; Mon 1 November 2021; Mon 21 February 2022; Fri 27 May 2022**

## Learning Round Up

Year 2 have been learning about castles and had a virtual tour of Lewes castle this week. Year 1 have looked at growing and have some tadpoles. Reception have drawn new planets!

## Comic Relief: Heroes

Although these past months have been hard for everyone in the school community, it was lovely to see you all thinking about others and supporting Red Nose Day this week. Children and grownups came in fancy dress: red with red noses, and superheroes. We had lots of you recognising the NHS and other keyworker heroes, like our two Squirrels in the picture.

We will be posting a link to donate on Tapestry, With some photos and videos from the day.

## Chair of Champions

Evie M, Montana, Evie B, Ollie, Rowan O, Emma, Illia-May, Hattie, Batman, Louis M, Uma, Zion, Dylan, Louis S-M

**Well done all of you!**
