Dear Parent/Carer,

Wrap Around Club:

Following government guidelines, we will be re-opening our wrap around care from March 8th, for families that fit the following definition:-

- The use of the provision is reasonably necessary to support them to work, seek work, undertake education or training, attend a medical appointment, address a medical need, or attend a support group.

In order to support our risk assessment, we need to make a few changes to the way the club runs. Usually, the club runs in a small room and involves mixing bubbles at close quarters. Whilst we cannot avoid mixing bubbles (wrap around care will become its own bubble), we need to be able to spread children and adults out more. Therefore, we will be moving the club to the hall. This has a number of knock-on effects:

Breakfast Club:

- Times remain the same. Ring the doorbell as usual and a member of staff will come and collect your child. Please be aware that the adult will be coming from the hall so may take longer to get there.

After-school club:

- After-school club will now have two pick up times: 4:30pm (£4), or 5:30pm (£10 with a light tea at 4:45 - 5.00pm). You will not be able to pick up your child at other times due to the staff needing to supervise the children in the hall.
- Children will be brought to the **main entrance** at the above times, depending upon what you have booked. Parents/carers will need to park in the large carpark and walk up to the main gate staying socially distant from each other.
- The 'light tea' will be as originally advertised (beans on toast, sandwiches, pizza slice etc) rather than the more involved meal that it had evolved to. This is because of reduced access to cooking facilities whilst the children are in the hall. You need to be aware that you may need to feed your child again when they arrive at home.
