

Robins Class Newsletter 25th March 2021

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

Just like that, another TERM is over! We cannot believe that the Easter holidays are here. The children have been exceptional this week, helping to plant trees, seeds and generally having so much fun in the sunshine. We have learned about moats, built castles and painted rocks.

We have continued to recap phase 3 GPCS: **sh, ch, th, qu, ng, ai, ee, igh, oa, oo, ar, ow, oi, ur, or, ear, air, ure, er**. The children are so speedy at recapping these so please use their purple flashcards at home to keep up their recognition and memory over Easter! Please practice reading: **he she we me be you are was all are her they my**.

We have started to look at number 12, and the children have blown us away with their understanding of addition, subtraction, one more, one less, doubling and halving. They are officially becoming number experts!

Thought of the week

Tuesday 23rd March marked National Reflection Day. We have made daffodils and taken the opportunity to reflect on what life has been like for the last year; the challenges and the positive things like spending lots of time with our family!
