

NEWSLETTER – 26.03.21

School closes today for the Easter holidays. We re-open on Monday 12.04.21 at 08:45.

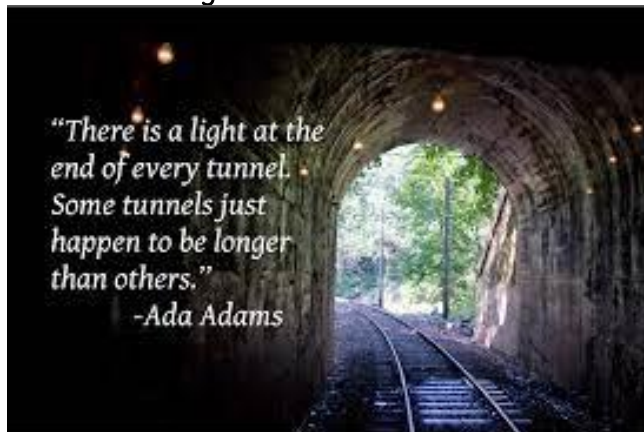

Letters from teachers about next half term's learning are all available online now – website → school → teams.

If your child starts to display COVID symptoms on Saturday (27.03.21) or Sunday (28.03.21), please ring school and leave a message on the answering machine. You need to leave your child's name and their class. You will then need to get them tested, and ring and leave another message to tell us if the result was negative or positive, so that we can ask staff and children from their class to self-isolate. Thank you.

This week's saying . . .

There's light at the end of the tunnel.

"There is a light at the end of every tunnel. Some tunnels just happen to be longer than others."
-Ada Adams

This is a really going saying for us all at the moment!

Can your child tell you what it means? Can they use it in a sentence correctly?

Parents' Evening

Instead of our parents' evening (which would have been on Monday), we are holding 1:1 meetings after the holidays for you to speak to your child's teacher. These will run just like they did last term. You will get a text message for each appointment in the next two weeks. You will then get a reminder message the day before your appointment.

You should come to the KSI door (Park Road) and a member of staff will show you to the room your meeting will be held in. **Please wear a mask when you are in school.** Thank you.

If you can't make your meeting, just let us know and we will re-arrange.

Attendance

This week's attendance stars are classes 6 (92.6%) and 13 (98.9%) – well done! **Last week's attendance was 92.6%** (which isn't great), and **attendance for the year is now 92.9%**. We really need to try to improve this next term if we can do.

Punctuality

There were no children late last week in classes 3, 4, 15, 16 or 19 – well done!
