WELLBEING AREA FOR PUPILS

As part of our post-Covid plans in school, we have decided to construct a planting and well-being area/garden for our children. Not only will this help them with their science curriculum, but it will also provide them with a place to sit and have quiet time, something which is crucial for their mental health and well-being.

We are therefore looking for donations of materials to help us with this project, and this could include the following:

- Small gardening tools (suitable for use by the children)
- Sleepers (to make beds with)
- Compost
- Cement (to secure the paving slabs that have already been donated)
- Someone who may be able to collect the paving slabs from Burntwood??
- Plants and trees for the area.

If any parents are able to help us with any of this, we would be very grateful. If so, please contact Mr. Postles, Mrs. Hewitt or Mrs Tonks.

END OF TERM

A reminder we break up for Easter on Thursday 1st April. School will close at 2pm to all pupils on this day.
