

St Mark's C.E. Primary School & Little Lions' Nursery

Dear Parents/Carers,

We have had yet another fantastic week back in school this week!

The children in Little Lions' have been learning about and exploring spring time and new life. In reception the children have been learning about our well-being, reading more stories by our author "Claire Freedman" and exploring number 17. We have also been learning about how things grow.

This week in Year 1 it has been assessment week and Mrs Maylor has been very impressed about how hard the children have tried.

Year 2 have been lucky enough to work with Reverend Joe and parishioners from our own St Mark's Church with 'Prayer Space' Worship. They thought about what they love about the world and wrote their hopes and prayers for the world on wooden discs, which they then hung on one of the trees in school for everyone to share. We think they look beautiful! Also In maths, Year 2 have been investigating mass, and have worked hard today to find out the mass of objects found in the classroom. They had to accurately read the weight on scales.

Years 3 & 4 have been investigating play scripts and acting them out in English. We have some amazing actors in both classes! The children have been enjoying Art and have been learning about warp and weft whilst weaving paper this week.

Year 5 have had another successful week of remote learning and we look forward to welcoming them back on Monday morning. A huge thank you for your continued engagement and supporting your children at this time. Please ensure you return any borrowed laptops to school on Monday morning.

The children in Year 6 have been looking at pie charts and have interpreting data in the form of, percentages, fractions and degrees. In English they have been writing a diary entry based on their class reader "Eye of the Wolf".

A reminder that next week is the last week in school before the Easter holidays. School will close on Thursday 1st April at normal finishing times, and re-open on Monday 19th April.

As a Trust, the Brain Tumour Research Charity is very close to our hearts as we have three staff members who have been diagnosed with brain tumours of differing kinds. It's a very important day for us all. We have really enjoyed seeing all the children showcasing their hats for us! Keep a look out on our Facebook page for pictures. With your very kind and generous donations we have managed to raise a fantastic **£240.74** Thank you again for your continue support.

As always, have a lovely and safe weekend,

Mrs K A Ferguson
