Living History

We are making history! Over the next few weeks, we will be creating and collecting materials for our own St Anne's time capsule. The time capsule will be a reflection and recording on our time apart during COVID but also how we managed to stay together through our family projects, rainbow rock garden, the videos that pupils and staff created and the many other ways that we kept going.

We hope to live stream the digging of the time capsule and we will invite families to share their experiences and achievements of lockdown in the coming weeks.

Calendar Dates

Online Safety Workshop

On Wednesday evening we hosted an online safety meeting for parents. This covered a wide range of different issues and the discussion which took place throughout was brilliant. Thank you to the parents who attended, in particular for being so willing to share your thoughts and ideas. If you missed the event, but would like to watch the video clips that were shared, they are available via the link below until 12/03/21. (Please be aware that some of the content is not suitable for children.)
