## Lent- Wrap the church in chains of love this Lent

We invite everybody to make some 'beads' from **recycled items** (milk bottle tops, plastic, wool, shells, leather, broken jewellery etc) to create a **colourful chain** - any length will do.

We then add our chains of homemade 'jewellery' together and see how far around the outside of the church it will go. You can add a label to your chain with your name so we know who has made it, or a message if you like (remember it is outside so needs to be weatherproof).

Please post a picture of your chain on Facebook and copy us in (or email a picture to [alisoncox19@hotmail.com](mailto:alisoncox19@hotmail.com))

We have the whole of lent to take up this challenge. Lent starts on Ash Wednesday (17 February) and ends on Easter Sunday (4 April). We will start creating the chain at the east end of the church on the railings around the steps to the crypt. Have a go at making beads on a chain!

### What is the aim of this activity?

The purpose is - to join together (even in lockdown) in **something fun**; - to decorate the outside of our church (wrapping it with our love this lent); - to signal our commitment to **consume less** of the precious resources of our planet.
