Census

Most of you will be aware that [Census Day](#) is on Sunday 21st March. The census is a count of people in households that builds a snapshot of life, it happens every 10 years. Did you know that the very first census was held in 1801!

The children will be taking part in their very own School Census! Your child will may come home with some questions for you to answer. The children will then use the results for a variety of activities that include collecting data, presenting and interpreting data.

After School Clubs

A letter will be sent home next week with details of the clubs we will be running after the Easter holiday.

We will be running Athletics, Basketball, Football and Archery! You will be able to book these via [Schoolgateway](#).

Swimming

We are pleased to announce that we are currently arranging swimming for our current year 3's and 4J (who missed their swimming last year) for the Summer term. A letter with further details will be sent home next week.

International Club

At the International Club we love discovering ALL countries. So far, we have been privileged "to travel " to China, India, Australia and Zimbabwe thanks to some parents' contributions. Thank you, to all of you! Hearing about the search for wild dogs in the African bush really made exciting listening!

This has wet our appetite for more and we are calling to you, our parents! If you would like to share with us stories about your country, the children would love to hear from you! If you would like to contribute in any way, to talk about celebrations, festivals, food, to share recipes, to show particular objects...please get in touch. You can do so by contacting the office.

During our next session, to celebrate Francophonie week, we will be going to Senegal and discover a Senegalese tale. Please join us next Monday, at 15:45. Please get in touch with Mrs Divers who will sign you. Best wishes, Madame Andrew.

Houses of Parliament

Children in Years 4, 5 & 6 will have the opportunity to take part in an online workshop next week delivered **straight** from the education team at the Houses of Parliament!

They will be learning about who works in the House of Commons and House of Lords and what they do. They will also learn about how you become an MP, laws and campaigning—what a fantastic opportunity!
