Dear parents and carers,

We made it to the end of another 'like no other' term. Its been lovely to have the children back in school for the last few weeks, hearing their lovely chatter as they catch up with friends and teachers. I am constantly surprised by the determination from the children; the support from the families and the commitment from my staff has meant that the teaching and the learning; the laughter and creating memories have continued in our school. The resilience of the Stockingford Community never fails to impress me and I thank you all for your dedication and support.

Please enjoy the Easter Break, however if a child tests positive and needs to self-isolate, please let us know using the covid@stockingfordacademy.org email address.

Have a lovely Easter break, hopefully there will be sunshine and rather than the snow that's forecast and I look forward to welcoming the children back to school on Monday 19th April.

Mrs Bowser.

Every School Day Counts

For the foreseeable future, we will continue with staggered start times. Year 1, 3, 6 will start at 8:45am and Reception, Year 2, 4 and 5 start at 9:00am. The gates are locked at 9:15 to secure the site. If children arrive after this time, they will need to go to the school office and sign in as late. Every minute counts! Being late has a negative impact on pupil learning and social interactions - being there at the start of the day allows your child to interact with staff and peers and gets your child ready for the day ahead. Arriving late can cause disruption not only for your child but for their peers and class teacher too!

Attendance Ladder

Attendance

Many congratulations to 2FT and 6CC who achieved the highest attendance for KS1 and KS2 last week. They will enjoy a non-uniform day as a way of saying a big WELL DONE!

Thank You

We were lucky enough to have the kindest delivery today from the Charity "Together for Change" through the community hub project Saints Nuneaton who are partnering with Rev. Kate Massey and St Pauls Church Stockingford. The hampers included food parcel for each family and activity packs with Easter Eggs for all of our Free School Meal children.

The school photographers are in school on Friday 23rd April. Sadly, due to COVID, we are unable to offer family photographs. Siblings attending Stockingford Academy will still have their photographs taken together.

More information will follow after Easter.
