WB 22nd March 2021

WELCOME

It's the last week of a very short term and on Friday we break up for the two week Easter holiday. If you're looking for a challenge as a family, then why not sign up for the **Planet Super League Challenge?** You can register here <https://psl.football/signup/> and select Northampton Town as your team. The challenges are to do with fitness, healthy-eating and sustainability. It is a great way to teach children about their health and living in an environmentally friendly way.

School reopens on **Monday 12th April** for all children. We hope you have a happy Easter.

Our Fun 4 All breakfast and after school club still has places available when we return for the summer term. Please contact Georgia Roche on Georgia.roche@iflt.org.uk

Healthy Snacks and lunches

A reminder about what should be in your child's lunch boxes. It needs to be healthy and balanced.

Children need to bring water for class. No diluted squash or juices.

Children are allowed a snack at break times this can be Fresh fruit, dried fruit, salad vegetables like cucumber and tomatoes. No cereal bars, biscuits or yogurts please.

Irthlingborough Food Bank Appeal

I walked past our little hamper that we use to collect donations for the food bank in our town and I was delighted to see how full it is!

We collect tins, pasta, cereals, biscuits, toiletries etc for the food bank in Irthlingborough. When the hamper is full, Mrs Meekings delivers the food with our children to the food bank centre - the Salvation Army building.

Please don't stop donating. Your produce makes a difference to local people and teaches our children about community and generosity.

YEAR 5 BIKEABILITY

Year 5 have signed up for the Bikeability programme for the summer term. Bikeability teaches children how to use the road safely when riding their bikes.

Children will need a bike in good working order and a safety helmet. If your child wants to sign up for the programme, sessions will take place during the school day.

More details will follow soon!
