

E-Safety Session for Parents and Carers

Benton Dene School would like to invite you to an
E-safety parental session on:
Thursday 6th May
10am—11am (15 minute slots)

This will be either virtual or a phone call with Vicki Houston, our computing lead who will be able to provide 1:1 advice on e-safety and home learning support.

Do you know what your child is doing **online**?
Do you need support with websites and apps that
help **keep children safe**?

If you are interested in booking a session, please reply via
Seesaw or by phoning the school office.
