Easter

We hope that everyone had an enjoyable and safe Easter break.

It was certainly good to be able to socially distance meet outside with friends and family from another 'bubble' during the holiday!

As restrictions begin to ease and more shops are due to open from today it is important that we continue to adhere to social distancing expectations while on the school grounds.

The same expectations are still in place for anyone having any of the main symptoms and the need to self isolate etc.

Let's hope that no class bubbles have to self isolate this half term and we continue to move forward out of this pandemic.

This means that we all need to continue to work together and follow the Government guidance.

Thank you in advance for your continued support and understanding during this extremely difficult period for us all.

Beat the Street

Don't forget that the Beat the Street initiative starts on **14th April**.

We hope everyone has signed up!

The initiative is due to last for 6 weeks and everyone should have received their packs before the Easter holiday.

Head Teacher Awards

We would like to mention and congratulate the pupils who received a Head Teacher award at the end of the last half term.
