With faith, we care, share and learn together.

Wednesday 21st April 2021

Dear Parents & Carers

Welcome back to school for the Summer term, I hope you and the children enjoyed the break and the better weather. A very warm welcome to Mrs Lorraine Wright, who has joined our staff as Apprentice Business Assistant in the school office.

Wheels Day was very successful and I hope the children enjoyed it. Revisiting road safety is always wise given the local roads and pavements, so we will repeat this before the half-term holiday. I will give you a date closer to the time.

As I mentioned previously, our school topic for this half term is Australia. PE days are on Tuesday and Thursday, so please send your child with a PE kit which they can put on and remove unaided. Please check sizes and fit as all the children have grown since September when you may have originally bought it. This can be left in school unless you need it at home. Chestnut class will be studying the faith and traditions of Islam in RE. We are hoping to hatch some ducklings in May, and watch caterpillars change into butterflies too. Beech class will welcome some younger friends in May, when transition visits begin for our new children starting school in September. We are currently planning transition visits for Year 2 children with Bradwell Junior School and will keep you informed.

Monday 3rd May is a Bank Holiday, so school will be closed that day. School closes for half-term on Friday 28th May and re-opens on Tuesday 8th June as Monday is an INSET day.

As the weather is warming up please check the daily forecast. If sunshine is likely, please apply sunscreen to your child before school and send them with a cap or sunhat.

Finally, can all children please bring a water bottle, and book bag to school every day.

As always, if you need to chat about anything at all, please let me know.

Geoff Wharton
