Simply, plant in a sunny spot, look after them and watch them grow then send photos and measurements to our PTA email address: friendsofrlhughes@outlook.com by 31st August.

Note: if we have any winners from the current year 6 then prizes will be forwarded on.

Mayfield Street - Parking

Please do not park on Mayfield street, **this is a no parking zone**. A parent has informed us that cars are parking on Mayfield street - half on the road and half on the pavement which is forcing parents to walk their children on the road due to social distancing rules. This is to ensure the safety of all our children and families.

Covid Tests

There seems to be a bit of confusion regarding the use of lateral flow testing kits. These tests are only to be used if you do not have any covid symptoms.

If your child has any covid symptoms eg. cough, temp you must take them for a PCR covid test at a testing centre.

FACE COVERINGS - IMPORTANT!

We have noticed that a large amount of parents are not wearing face coverings/face masks when dropping and collecting their children. Unless you are exempt from wearing a mask due to medical reasons, please ensure you wear a mask/face covering while on the school premises. Thank you for your co-operation in this matter.

Congregating in school grounds

We ask that parents please leave the school premises once you have collected your child and do not congregate on the pathways.

Covid protocol

If your child develops a cough/temperature or **any covid symptoms**, they need to be tested before they will be allowed back into school. Test results should be sent to your child's class teacher via class dojo before they return to school.

School meal payments - School Grid

REMINDER - Meals must be paid for, in advance, on a Monday morning unless you have signed up to a direct debit. If you get into arrears with your child's account then you will be asked to bring a packed lunch in for your child and they will not be allowed a school dinner until the account is cleared and a direct debit has been set up. If you require help setting up an account please see a member of the office staff.

Health Care Plans/ Asthma inhalers

Please contact the school office as soon as possible if there has been a recent change to your child's health care plan. Please ensure that all relevant medication remains in school at all times, including asthma inhalers. Thank you.

Nursery

If your child is due to start Nursery in September 2021 and you would like a place for them at our nursery please ensure that you fill out a form at the office ASAP.

Car park

The school car park is for staff and official visitors only. Parents are not allowed to park in the school grounds. This is for the health and safety of all our pupils. When parking outside the school grounds please do not block the residents' entrances.
