Important dates and notices

Challenge 7

Well done to all our children and staff for achieving their 'Challenge 7.'

Thank you Mrs Shaw for leading our staff and children in school. For most classes it finished yesterday, for some it has today. Thank you to our Parent Governor Mr Heald, who came in throughout the week to support classes. He set our school community the 'Challenge 7' goal in order to support Mr Breslin and with the support from our parents has managed to exceed the £3000 mark. Well done everyone!

This epitomises St Joseph's loving, community spirit.

Please follow each class Twitter if you haven't already.

Always Award

We have started the Always Award, so please help your child to achieve it by reminding them to wear their full uniform, (remembering ties for some Junior children) bring their planners in every day, have their planners signed when they have read, (whether a book or online) hand homework in when it is set and come to school on time each day.

Twitter

I have been receiving quite a few follower requests on my headteacher Twitter account. If you are a family member and would like to follow me on Twitter please let the school know who you are via email and then I will recognise you and accept. Some grandparents may have a different surname and no profile photo, therefore I am not sure who you are. Thank you for this. Safeguarding our children is important.

Year 5 Swimming

Year 5 children will begin their Swimming lessons again next Wednesday.

Update on Mr Breslin

Mr Breslin's treatment continues to go well and his blood results look promising. He has nearly completed his first round of chemotherapy and his second round will begin immediately after that. He has not needed any further blood transfusion and his blood is more stable. Having said that, he is feeling the side effects and missing school and normality terribly. We will continue to prayer for him as it must be very difficult for him.

Rewards & Celebrations

This Week's Superstars

A very big well done to the following children who have earned the most team points for their class this week.

Infants

Year 1 – Michalina Grabowska

Year 2 – Jessica Conn
