From Mrs Foster ...

Dear Parents/Carers-
How fabulous it is to have everyone back in school. The sun has been shining upon us and our Welford world has been very busy.

It has been wonderful to see all staff returning and the children eager and enthusiastic to be learning in their year groups and catching up with their friends...

As we return to school there are a few reminders that I need to share:

In future our newsletters will be shared on the School Story section of Class Dojo and on the school website. Class Dojo will be our main method of communicating so please continue to use it even though we are now all back together as a school.

Parking around school continues to be an issue with large vehicles sometimes making getting across Welford road difficult so please cross carefully. It is also important that the two entrances to the school are not blocked by parents/carers dropping off children. Please be considerate in this matter.

Children are expected to be in school for the start of the school day at 9am and should be picked up at 3.30pm unless there is an issue that prevents this. In this case please notify the school office. Lost property has continued to mount up and items have been laid out in the school playground to be claimed.

Congratulations to those classes who have successfully achieved our whole school target of 96% & above from 22 nd March – 23 rd April 2021

Thank you to everyone who is supporting us to ensure that our return to school runs as smoothly as possible. If we all work together we will ensure positive experiences for all children which I know is the wish we all share.

Please continue to stay safe and well and contact us if you have any worries or concerns that we can help with.

Mrs C. Foster

If you, or a family member or a friend have a child born between:

PE kits

Please refer to the table below to confirm which day(s) your child will have PE.

On PE day(s), your child will need to come to school in their kit, either black or blue jogging/tracksuit bottoms and a plain white or house colour t-shirt and wear it for the day to help maintain year group bubbles.

Year Group	Days to come to school in PE kit
Reception	Thursday
Year 1	Wednesday/Friday
Year 2	Tues/Thursday
Year 3	Wednesday/Friday
Year 4	Tuesdays/Thursday
Year 5	Monday/Thursday
Year 6	Monday/Friday

MEDICATION IN SCHOOL

Does your child need regular medication? If your child needs regular medication please ensure that the school is fully informed and that any appropriate prescribed medication is also kept at school.

It is very important that you inform the school if you know that your child has an allergy. We keep this information on file in case of an emergency.

Children do not need to be absent from school for allergies if they are properly managed.

INTERNET SAFETY

We have again had concerns regarding internet safety. Children have been upset by things others are showing on TikTok. Advice is as follows:
*Common Sense recommends the app for **age** 16+ mainly due to the privacy issues and mature content. **TikTok** requires that users be at least 13 years old to use the app and that anyone under the **age** of 18 must have approval of a parent or guardian.*

Please use the following for further information:

The link is available via the Safeguarding section of the website.

These are 2 good links for parental advice on Internet Safety coming up to half term break.
