Tuesday 13th April

Dear Parents and Carers,

Welcome back to the summer term - it's lovely to see the sun shining, hopefully we will be able to pack the woolly hats away soon and dig out the sun hats!

We have started cautiously making plans for the summer term and have provisionally booked some dates for some of the key events that usually take place in the summer term. For now we will continue with our staggered drop off and collection times at the school gate and we will review this after 17th May.

Telephone Calls to Parents - Week Beginning 19th April

We thought it would be good for parents and teachers to have a quick catch up and a chance to discuss how children are getting on now we are all back at school. The teachers will ring you at some point during this week, please do not worry if you miss our call or if it is an inconvenient time as we will ring again. If your child spends time at both mum's house and dad's house and you would both like to speak to your child's teacher, please drop an email to the school office and we will make sure that teachers speak to both parents.

Whole School Trip to Bridlington - Tuesday 29th June

We are very excited to have booked a bus to go to Bridlington in the summer. I will send more details nearer the time, but it is likely that children will need to be in school for 8.30am and not return until 4pm.

Sports Evening - Monday 12th July (Alternative date Wednesday 14th July)

We have moved Sports Evening to after half term in the hope that we will not have to be in bubbles and parents will be able to join us. Hopefully the sun will shine for one of the dates and this event will be able to go ahead.

Leavers - Wednesday 13th July We are hoping that we will be able to have a Leavers' service this year and all the children will be able to take part and wish our Y6s good luck as they leave to go to secondary school. Depending on restrictions, priority will be given to Year 6 parents/relatives first but hopefully we will be able to welcome all parents to this event.

Summer Days

When it gets warmer we often find cardigans and jumpers in random places, please can you ensure that your child's uniform is clearly labelled, so that if it does get misplaced it can be returned to the correct child.

Water - if your child wishes, they may bring a named bottle of water into school that can be kept in the classroom and taken home on a daily basis. Please can you also send a sun hat/cap to school for your child, if possible one that can be kept in school for the summer term.

Sun-Cream - please can parents either apply sun-cream to their children at home before school or send their children to school with sun-cream in a labelled bottle. Please can you show your child how to put sun-cream on and have a little chat about not sharing it with friends. We've got a few children who are allergic to some sun-creams.

Thank you for your continued support.

Susie Varley
Headteacher
