Thank you to all who came to last weeks 'catch up' lessons. They carry on this week, but won't happen next week as school is closed on Monday and Thursday.

As yet we have received no information about possible relaxation of COVID rules. We will keep things the same until we do. This is likely to be in the coming weeks.

As Thursday 6<sup>th</sup> May is an enforced closure day we will give children activities on sheets to complete, these will be optional.

Our Year 5 children will complete the 'Bikeability' course on Friday, which they began last week.

We will hopefully have the information, this week, for the holiday club, which begins on Monday 7<sup>th</sup> June, the second week of the half term holiday. As soon as we have this, we will get it to you.

After meetings last week, it is possible that we might have some organised sports competitions during the last half term. It would be great if our children could have an opportunity to be a part of a school team, before the end of the year.

Wherever possible we are messaging parents via the mobile app messaging system rather than Teachers 2 Parents text messages. Please download our school mobile jotter app to make sure you don't miss any important messages from school. User logins have been sent out but if you haven't received it, or have forgotten your password, please email school. Both parents are able to have their own login if they wish.

Please make sure when completing your ASCC booking forms that you indicate your child is in an extra curricular club ECC (eg catch up classes) before going in to afterschool club.

Please use the school website [www.stsaviourschool.com](http://www.stsaviourschool.com) for any missed letters.
