

St. Anne's Community Special School

Sixth form admissions statement

Published Summer 2012

Revised December 2013

1. INTRODUCTION

At St. Anne's Special School we believe that working in partnership with the East Riding of Yorkshire Local Authority, we ensure that children and young people will have access to the most appropriate educational and short break provision suited to their individual need.

2. CURRENT ARRANGEMENTS

The school's current admission arrangement for the Sixth form is in partnership the Local Authority's admission policy.

At St Anne's we cater for children and young people from the age of 3 years to nineteen years. Pupils are normally admitted to the Sixth form in the September following their 16th birthday.

Placements in the Sixth Form are determined by the LA in consultation with the parents and following reports from other agencies and discussions with the school.

The LA oversees all applications and determines which pupils are most suitable for placement, in agreement with the school. There is an appeal process for families who make an unsuccessful bid for a place in the Sixth Form.

3. STATEMENTS

On entry to the school students will have a Statement Of Educational Needs which will be reviewed annually through the Annual review process. The review process is an opportunity for all agencies working with the young adult and their families to meet to ensure a smooth transition into adult services.

4. OUT OF COUNTY PLACEMENTS

Applications for the admission of children who live outside the catchment area of the school will be considered, subject to the availability of places by the Local Authority.

5. TRANSITION

Towards the end of the summer term we hold a transition day when all new starters to the school are invited to join their new classes for the day whilst meeting staff and other agencies. It is an opportunity to complete admission forms, contact details, medical information and order school uniform.

This day is designed to encourage a successful and positive working partnership between home and school.

6. VISITS

New parents are encouraged to visit the school to discuss their child with the Head teacher / Assistant Head for Sixth form. After a discussion about the pupils individual needs and the educational provision at St Anne's parents are taken on a tour of the school.
