

Summer Term 2021 Newsletter

Welcome back to all of you, after what seemed like a very long Easter Break! As we look forward to the coming term it is very much hoped that we will get right through until July with minimal disruption. We are hopeful that the worst of the Pandemic is behind us and we can start to reintroduce some of the essential elements of school, which enhance the learning for the children, but also some of the fun elements which we all look forward to.

Over the next couple of months and as guidance is updated, we will hope to reintegrate the children so that they can mix and socialise with each other, in the way that they were able to prior to Covid. We would hope to return to one start and finish time, as before, have mixed playtimes, assemblies in the hall and in particular we hope to welcome you all back into school to share some of those assemblies and events.

As you are all aware, the Statutory Testing will not be taking place this year, but we will still be very much tracking progress for the children and the end of year reports will go out as usual in July. Prior to half term we will be holding Parent/Teacher consultations via telephone, which seemed to work well in the Autumn Term and details about that will be sent to you nearer the time. During this call, you will be able to discuss any issues which are concerning you about your child's progress and wellbeing.

You will be aware that additional catch up funding has been allocated to schools and we have signposted that money in providing additional staff and also wellbeing programmes which the children will be selected for at relevant points throughout the coming term and next academic year. There will be a very high ratio of staff to pupils in each class, which will enable us to provide very relevant and personalised catch up provision.

Below are the term dates which we very much hope we will be able to stick to. Please put these dates in your diary and we will give further information out closer to the timing of events.

Thank you all very much for the wonderful support you gave to your children whilst home schooling and for supporting the school in the way that you have over this difficult year.

Mrs Crawshaw
Headteacher

WEBSITE: www.tedder.lincs.sch.uk

As always, can I encourage parents to visit our website which has a great deal of information contained in therein. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life.

In addition, I would like to draw your attention to our Safeguarding Policy which details the importance we place on children's safety. Here you will also find information about how you can contribute to the safeguarding of children and how to report any concerns. The E-Safety policy is also there to keep you informed about the best way of keeping children safe.

Please see below important dates for next term but I would like to draw your attention to the following:

5th May - Wrates Photography - As usual the photographer will return to take whole Class Photos.

16th July - Transition Day - On this day all children will spend the morning in their new classes and meet their teacher for the next academic year. It is an exciting morning for all concerned and once again I would request that where possible children are in school for that opportunity.

NEW RECEPTION DATES

Diary Dates

Reminder that letters will go out to parents nearer the time
