Mrs Colleen Compton

Today is a sad day for us all in Meadow Bridge, and a difficult one for Mrs Colleen Compton, as she retires from her teaching role in the place she loves. It is never easy to move on from somewhere, especially when you are loved and respected so much for the amazing work you have done, and the incredible legacy you are leaving – and this is all true of Colleen.

We simply want to say how much we will miss you, Colleen; however, we respect what has been a hugely difficult decision for you to make. Every child you taught over almost 30 years, without exception, will have been touched in a special way by your teaching and will have fond memories of being in Mrs Compton's class.

Thank you for your diligence, dedication, fun, effervescence, wisdom, friendship and faith over the years..... faith in what you could achieve, faith in what your pupils could aspire to, and your very evident faith in God. You have been a true role model for all of us, and we send you our good wishes and every blessing for whatever lies ahead.
