

Newton's Weekly Newsletter

Week Ending 30th April 2021

Dear Parents/Carers

It has been another busy and exciting week in school, with the children fully engaged in their learning. Last week's memorable days sparked the children's interest in their new topics and it is fantastic to see how much fun they are having in lessons. I am sure you will have seen on our Facebook page, the amazing things your child's class/year group are learning about; and how fun their teachers are making it.

It has been great to see more and more children cycle and scoot to school as the week has gone on, not only are they increasing their fitness levels, but also we will be in with a chance of winning The Big Pedal 2021 competition. A big thank you to Mr Whiteley for organising this.

So many of our children are wonderfully behaved and in the past, this has not always been recognised as we may have taken it for granted. However, this has now changed and we have asked all the adults to be on the lookout for children 'Caught Being Good'. This can be for a whole range of reasons in and outside the classroom and when this 'good' behaviour has been seen, the child receives a certificate and is sent to Miss Allsop to receive a special treat and have their photo taken and this is shared with you on Facebook. Well done everyone, keep it up!

As a school one of our key aims is to ensure our attendance is as high as it can possibly be. Missing even one day every now and then has a significant impact on your child's progress, particularly the further down the school they are. Two classes have already completed our 'Every Day Counts' board because the children in both year 3 classes have had the most days where 100% of the children have been in school. This means there has been no loss of learning and as a reward both class have had a trip to the local park for some extra play!

I hope that you will have seen the letter introducing our Vision and Values that was sent out yesterday. The 6 values were selected collectively by the staff and we believe that if we all behave in accordance with these values, Newtons will be **GREAT!**

Generous - We give more than is expected of us.

Resilient - We cope when things are tricky or don't go our way!

Enthusiastic – We show great interest and enjoyment in all that we do.

Aspirational – We strive for success in all that we do.

Thoughtful - We show concern for the well-being of others.

Great - Recognising all our successes in everything we do.

Have a great weekend

Sport's News

We are planning to have a Sports' Day in early July. The whole school will compete in teams, participating in a range of fun games in the morning, with the overall team winning a trophy.

In the afternoon, KS2 children will compete in individual events such as the 100 metres and 200 meters sprint, some throwing events such as javelin as well as the long jump and a relay race. Medals will be awarded for 1st, 2nd and 3rd place winners in each event.

Tuesday 4th and Wednesday 5th May
Parents Evening. 3.45-5.45

Every Day Counts!

Attendance is very important in ensuring that children maximise their learning and prevent gaps in their knowledge from happening. Our whole school attendance this week is 97%. Well done Meerkats Class for achieving the highest attendance this week.

You will receive the delicious cookies to share with your class.
