Dear Parents

Vacancy for a parent governor

Mrs Fisseha, who has been a parent governor at St Peter's for a number of years, has finished her role as parent governor. We would like to take the opportunity to thank her for the commitment she has shown to our school and the work she has carried out on the governing body over time.

As we will have a vacancy for a new parent governor to join us we would like to know whether anyone is interested in taking up the role.

Being a parent governor means representing parents and listening to their views and ideas and then sharing them with governors. It involves meeting after school throughout the year to work with other governors to hear about and discuss developments in school. Meetings last about 2 hours each and begin at 4.30pm

If this is something you think you would like to do and you have the time to be able to attend about 8 meetings throughout the year then please fill in the slip below, return it to school and I will send you further information about it.

Yours sincerely

Mrs E. J. Holliday

I would like more information about being a parent governor
