7<sup>th</sup> May 2021

Dear Parent / Carer

I am writing to you in relation to the situation regarding COVID-19 infections. As you may already be aware, Bolton has moved to second in the national figures. There have been Bolton schools needing to send home 'bubbles' in the last week, as a result of a number of positive test results.

We will continue to be very vigilant in school, and will not be changing any procedures at the moment. If you are contacted by school because your child is showing symptoms of COVID-19, we ask that you do take them for a test, and isolate as per government guidelines until you receive the results. Please advise school of the result as soon as you are informed.

I also need to add that if a child is showing symptoms they need to have a PCR test **not** a lateral flow test. Rapid lateral flow tests are for children, and adults, who are asymptomatic i.e. do not have symptoms of coronavirus (COVID-19).

We are all working hard to get through this continued crisis and will maintain all our efforts to keep children safe.

Keep safe & healthy

Yours sincerely

I Southern  
Headteacher
