Gold Awards

A huge WELL DONE to Hallie Cheetham,

and Olivia Bowns

who have both achieved their gold award on Mathematics.

Keep up the fantastic work everyone!

Auntie Sue

All the children in our school will know that Auntie Sue is our school cook.

It is with great regret that I am informing everyone today that Auntie Sue has made the difficult decision to finally retire and hang up her school apron. We know that this has been a difficult decision and that she will miss the school and all the pupils greatly.

We will all miss Auntie Sue as well!

Auntie Sue has worked at Wickersley Northfield for 28 years and has been the cook since 2000.

Her last working day at our school is this Friday and I am sure you would all like to wish her all the best for the future and an extremely happy retirement doing everything that she loves to do.

Reading

Developing a 'love of reading' is one of the most important ways to support your child's reading skills and also to enable them to do better across all subjects in school.

To promote children's pleasure in reading, we need to read **to** children and **with** them and to **talk** to them about books. These conversations are crucial as they help children to engage and think deeply.

See the attached information for how you can support your children at home.

School Cook

Dolce, the company who run the school kitchen will have a difficult job finding a dedicated replacement for Auntie Sue.

If you are an experienced cook or know someone who would like to work for Dolce as the cook in our school kitchen, please contact the area manager asap for more details:
suzanne.james@dolce.co.uk

(The position is full time, 27 1/2 hours a week on a 38 week contract. The hourly rate is £9.91.)

Beat the Streets

How many beat the street points have you earned since it started?

Thank you to all our pupils and school community for walking, running, scooting, cycling or rolling between the beat boxes across Rotherham.

We are still in second place on the overall leadership board for total points which is absolutely fantastic.

The competition is running until **7pm on Wednesday 26th May 2021** so keep up the great work.
