(MHST) Kirklees Mental Health Support Team

Kirklees Mental Health Support Team have created a series of bitesize, introductory videos around understanding and supporting children's mental health and emotional wellbeing. These videos are aimed at young people and their grownups and are best watched together to promote conversations around mental health.

If you need any support for your child, please speak to our Nurture Lead—Mrs Lindley

The videos are also available on the school website under the Safeguarding—Mental and Emotional Well-Being Tab.
