2020-2021: Newsletter no 31

Wednesday 12<sup>th</sup> May 2021

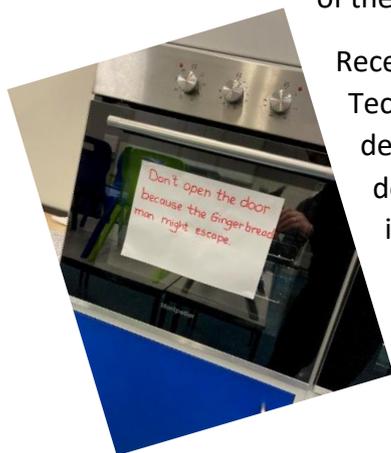

*Dear Parents, Carers and Children,*

**Goodbye and Good Luck Mrs Waters!**

On Friday we sadly say goodbye to Mrs Waters. Mrs Waters has been with us since September 2019, initially working across EYFS, Year 1 and Year2. She quickly became an integral part of our teaching team here at Lindhead and has since worked in Year 1 covering Mrs Flinton's maternity leave, and more recently covering Mrs Hardwick (who is now back full-time) in Year 2. Mrs Waters has done a wonderful job whichever year group she has been working in. She has been professional, flexible, caring and a delight for us all to work with. I am sure that children and parents will agree that she has become an important part of our Lindhead family and we will miss her! However, Mrs Waters has secured a full-time teaching post at Stakesby Primary School, Whitby and we would like to give her our best wishes, our genuine thanks for all her hard work over the last two years and wish her the very best of luck in her new position.

While we still can't offer you a list of school events, as our guidance and risk assessments are yet to change following the next-steps on the Covid-19 'roadmap', I thought it would be nice this week to celebrate some of the wonderful things happening at school.

Reception have been busy using the new Food Technology kitchen here at school to make some delicious gingerbread men (they really were delicious!), learning the story and taking part in lots of gingerbread-men themed activities.

Year 1 have been having using the power of music, singing and shouting to learn their spellings.

Year 3 have been inventing and designing 'Amazing Machines', then writing non-fiction texts to explain how they work.

Year 6 have been creating some super artwork in the style of Henri Matisse.

Finally, in our zoom assemblies this term we are starting to look at a diverse selection of people, their contribution to the wider community and their positive character traits. This week we learned all about Marcus Rashford's life off the pitch, his upbringing and his activities to help provide food for vulnerable children. Hopefully your children can tell you all about it!

***As soon as there are changes to our Covid-19 procedures and routines I will let you know. For now, all our arrangements will stay the same. Thank you, as always, for your support.***

Stay safe,

***Simon England***  
**Headteacher**

**FOLS News** – The recent Bag2School collection raised £72! Thank you for your support!

### FOLS have registered with My Name Tags
