

NEWSLETTER 14th May 2021

It's been another busy week in school, our **P7 children made their Confirmation**, although it wasn't like the usual year group ceremony, the intimacy of having just their own class was special, as these children have been together as a class for 7 years. So well done to each child, they made us all so very proud of them.

This week we have focused on **Mental Health Awareness** with P5 taking part in the Barnardos Bounce programme, which will roll into P6 and 7 in the coming weeks, with all our teachers gaining training, so we are well equipped to support our children post pandemic.

A wee reminder: if you are collecting your child early, please go to the Main Office and not around the yard to the classroom doors, the yard is only accessible to parents before and after school each day, as we are using it for break and lunchtime play.

The lay-by: we still have cars dropping off in the lay-by in the mornings and some of the driving and parking at times is dangerous. Please use the church or Brooke Activity car park, it isn't far to walk, no one wants to risk hitting a pedestrian and I can't afford to keep buying new traffic cones, which drivers have kindly destroyed with the poor parking skills!

Breakfast Club and 2-3p.m Wrap Around Care are going really well, so if you do struggle with the morning routine, do bring your children along from 8a.m and our wonderful Assistants will ensure they are fed and ready for a day of learning.

Annual Written School Reports: teachers will be sending home reports in June and P1-2 teachers will make their phone calls to discuss process in the coming weeks, so they will contact you via Seesaw to arrange a date and time for the phone call.
