

GARAGE ROOF HELP!

We have a garage onsite which is used as storage for many items. We have found out this week that the roof is irreparable and needs to be replaced. Is there anyone out there that can help? School will pay for the materials needed but if there is a roofer amongst our parents who can advise us and help replace it we would be very grateful.

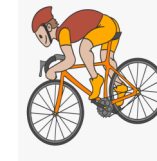

RETURN TO NORMAL SCHOOL HOURS

It is looking likely that on Monday 21st June a lot of Covid restrictions will be lifted. We would like to therefore give parents advance notice that school hours will return to normal. This means that **ALL** children will need to be in school by **8.50am** (except Nursery who start at 8.45am) and all pupils will finish at **3.10pm**.

TEAM RENNOCKS

HUGE congratulations to Ronnie Rennocks and his dad, Dave (with the help of Sonny Rennocks) who have completed the 100 mile cycle challenge to raise money to help create a new garden in school for our pupils. They have raised a massive £800 which far exceeded everyone's expectations. We now look forward to starting on the garden soon.

NEIGHBOURS

Please could we respectfully remind pupils and parents to park with consideration outside the school, and not to block peoples' driveways. Please also remind your child(ren) not to walk on other people's property (including walls and garden areas).

YEAR 6 (JUNE 2022) RESIDENTIAL

A letter has gone out this week to our current Year 5 pupils in regard to their 5 day residential visit to Laches Wood in June 2022. Please do return the consent form and pay the deposit on Parent Pay if you wish your child to attend.

YEAR 6 BIKEABILITY

This will take place on Friday 28th May during school time. Please make sure that your child has their bike and helmet (if wearing one) in school on this day. Also they must wear sensible clothes and trainers so they can ride their bike with ease. Please put the bikes in the bike shelter but so not lean them up against other bikes.

WELLBEING AREA FOR PUPILS

Thank you all so much for the generous donations that we have already received. We are still looking for donations of materials to help us with this project, and this could include the following:

- Small gardening tools (suitable for use by the children)
- Compost
- Plants and trees for the area.

If any parents are able to help us with any of this, we would be very grateful. If so, please contact Mr. Postles, Mrs. Hewitt or Mrs Tonks.

BLAST

Due to staffing numbers and COVID safety we need as much notice as possible if your children are joining us for AM and/or PM sessions. Please book your children in by either using our online booking system office@blastkidsclub.co.uk or
