Government COVID Guidance

We are able to continue to hold communal celebrations of Mass during the present pandemic. However, it is important that we look after one another and remain vigilant, especially given the increased transmission rate of the Coronavirus variants. The use of face-coverings, hand sanitisation and social distancing (face – hands – space) remain the most effective ways to enable everyone to attend Mass safely. It is also important that we pay attention to the way we arrive and leave, the church building and premises; observing strict social distancing.
