2020-2021: Newsletter no 32

Wednesday 19<sup>th</sup> May 2021

**Dear Parents, Carers and Children,**

Firstly, I would like to say thank you to everyone for persevering with restrictive Covid-19 rules and procedures. Like me, you might well have been hoping for some good news following the latest move on the Government's 'roadmap'! I am afraid that almost everything we currently have to do will stay in place for the foreseeable future.

### **Friday Football – 3.15-4.30pm**

One thing we have been able to do is to invite children in Reception and Year 1 to the Friday after-school Yorkshire Coast Football Academy sessions. We are able to do this because, as far as extra-curricular activities are concerned, we are able to increase group sizes and create consistent groups across more than one 'bubble'.

However, as with all year groups' football at the moment, if any sessions are cancelled due to poor weather we would not be able to run a session in our limited indoor capacity at the present time. (We have been fairly lucky with the weather on Friday's apart from one week).

Children who attend the club should come to school dressed in football kit for the day. EYFS and Year 1 staff will assist any children, prior to them being collected and taken out on to the field by their YCFA coach. As per the YCFA risk assessment, the coaches will deliver the children to the car park at **4:30pm** for collection.

We are not yet in a position to allow parents/ carers to attend sessions and thank you for your understanding and cooperation, in advance. If you would like to book a place or set up money-free payments with Tony and/or Mark, you can contact them on the following numbers: Tony 07793 662157, Mark: 07533 753948

### **Face-Coverings**

New guidance for primary schools states that face-coverings should still be worn in communal and central areas - therefore we would still ask that parents and carers wear a face-covering (unless exempt) at all times when coming on to the school site.

Thank you for your support,

The latest full Risk Assessment is available on the school website: <https://www.lindheadschoo.co.uk/information-for-parents/covid-19-risk-assessment>

### **Hand Sanitisers, Hand Soaps and Medication From Home**

Following safety advice from North Yorkshire County Council, we will be asking the children to take home any personal hand sanitiser or soap that they may have in school. If parents would like their children to apply any emollients (moisturiser) during the school day to counteract the effects of soap/water handwashing, there is a consent form available from the office.

## A Message from The Den
